

The Early Career Nurses Survey is now open!

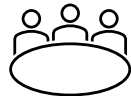

Make your voice heard!

The Texas Center for Nursing Workforce Studies is asking all LVNs and RNs first licensed in the past 5 years to complete a survey on their experience working in nursing.

The data collected will be used to:

Understand the current and future needs of early career nurses in Texas.

Guide the development of policy recommendations by the Texas Center for Nursing Workforce Studies Advisory Committee.

Scan the QR code or click the link below to take the survey

Responses will be accepted through June 15th, 2025.
