

Employee Prescription Services Available October 1, 2025

We are pleased to announce that our Cook Children's Retail Pharmacies will be able to fill prescriptions for employees starting October 1, 2025! This now includes maintenance (90 day supply and zero copay) and specialty in addition to acute medications. In order to provide a more seamless experience, please note the following guidance:

- If you would like to fill at one of our Cook's locations, **please allow 2 business days to transfer your prescriptions.** This will allow us time to contact the pharmacy, order in your medication, and get your prescriptions ready for pickup. This time may vary depending on the pharmacy we are obtaining your prescription from and availability of the medication.
- Sign up for [MyCookChildren's](#) (MyChart) so you can manage and refill your prescriptions easily through the app.
- Curbside pickup and Meds-to-Beds deliveries will be reserved for our patients.
- Medications will be available for pickup during our pharmacies' hours of operation.
