

Significant Safety Event Discussion: Medication error

Wednesday, September 25, 2024

11am, 3pm

Hochberger Auditorium

Planning Team: Matthew Carroll, MD, MHA; Anne Kirk, MD; Elizabeth Bean, MSN, RN; Stephanie Tupper, PharmD; Lorraine Williams, PharmD; and Lena Zettler, MA, LPA

Disclosure: Consistent with ACCME Standards for Integrity and Independence, presenters and planners are expected to disclose any financial relationships with ineligible companies. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. This policy is intended to make you aware of the faculty's interest so you may form your own judgments about such material. The presenters and the planning committee for this educational event have no relevant financial relationships with ineligible companies to disclose.

Target Audience: All Cook Children's Medical Center staff

Objectives:

1. Describe a recent case that was seen in our network that resulted in a significant adverse event.
2. Identify where there are opportunities for managing future patients with a similar presentation.
3. Identify personal practices and any changes that may contribute to a safer environment for our patients and/or staff.
4. Recall patient safety based on core ethical principles – the professional duties to provide benefit and prevent harm.
