

Your health, our priority.

Connecting you and your family to local care.

Get excited, Prosper employees!

To make health care more convenient for you, we are partnering with **Texas Health** to offer a new Prosper employee health location starting Jan. 5, 2026.

Texas Health Family Care is located at **1970 W. University Drive**, just minutes from the Cook Children's Medical Center Prosper and offers:

- Same-day/next day access with dedicated slots for employees and eligible family members
- Spanish speaking clinicians available
- Acute care, preventative care and chronic condition management
- In-person and virtual visits
- Easy access to medical records for continued care within the Texas Health system

These services are offered to members living or working in North Texas in addition to your Care ATC benefits. Fort Worth and surrounding area should expect these new services in Spring 2026.

For questions, email occhealth@cookchildrens.org.

Look for more information in the Connect Newsletter.
